

Zero Suicide Institute at NatCon22

National Zero Suicide Academy Online

Fall 2022 Academy Eligible for a Special 15% Discount Code

The National Zero Suicide Academy® is EDC's signature training for healthcare organizations seeking to dramatically reduce suicides among those in their care. Led by our expert Zero Suicide Institute staff and faculty, the National Zero Suicide Academy is an invaluable opportunity to launch your Zero Suicide implementation, learn about the Zero Suicide framework and seven elements, begin strategic implementation planning, and prepare for commonly faced challenges.

Assessing & Managing Suicide Risk Training

Trainings Eligible for a Special 30% Discount Code

AMSR's research-informed risk formulation model helps health and behavioral health professionals feel confident navigating challenging conversations and offers key strategies for providing compassionate care to people at risk for suicide. AMSR Training teaches healthcare professionals like you how to determine the level of suicide risk for an individual. Through our training of trainers model, you can become an authorized AMSR Trainer for your organization.
